Re: Application of All My Sons of Columbia, LLC for a Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier
Docket No. 2020-37-T

Dear Ms. Boyd:

This letter is to advise the Public Service Commission of South Carolina ("Commission") that the South Carolina Office of Regulatory Staff ("ORS") has reviewed the Amended Application filed by All My Sons of Columbia, LLC ("Applicant") in this docket and conducted an inspection of the Applicant's records and equipment. Based on this inspection and review, ORS is of the opinion that the Applicant will meet the requirements of fit, willing and able as required of a Household Goods Mover under the provisions of S.C. Code Ann. Regs. 103-133. Additionally, ORS has reviewed the Applicant's Petition for Approval of Use of an Electronic Bill of Lading and does not oppose the Applicant's request.

Should the Commission determine that the Applicant meets the qualifications for the issuance of a Certificate of Public Convenience and Necessity, ORS will ensure that the Applicant will have complied with all applicable Commission rules and regulations prior to the issuance of such Certificate.

Thank you for your consideration in this matter.

Sincerely,

s/Alex W. Knowles
